Report on the Financial Statements

We have audited the accompanying financial statements of Covenant House California ("CHC"), which comprise the statement of financial position as of June 30, 2017, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Covenant House California as of June 30, 2017, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Covenant House California's June 30, 2016 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 12, 2016. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2016 is consistent in all material respects, with the audited financial statements from which it has been derived.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards on Page 20, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 9, 2017 on our consideration of CHC's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of CHC's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering CHC's internal control over financial reporting and compliance.

Notes to Financial Statements
June 30, 2017 and 2016

1. Organization and Tax Status

Covenant House California (“CHC” or the “Organization”), a not-for-profit member organization which was incorporated in October 1986, is an affiliate of Covenant House (the “Parent”), providing shelter and crisis care and outreach services to youth in the Los Angeles and Oakland, California areas. Covenant House (Parent), is a not-for-profit organization founded in 1968 and incorporated in 1972. Covenant House (Parent) is a not-for-profit organization founded in 1968 and incorporated in 1972. Covenant House (Parent) and affiliates (collectively “Covenant House”), provided shelter, food, clothing, medical attention, crisis intervention, public education and prevention, and other services that reached approximately 80,000 young people during fiscal 2017. In fiscal 2016, Covenant House, provided shelter, food, clothing, medical attention, crisis intervention, and other services to approximately 47,000 runaway and homeless. The increase from 2016 to 2017 is due to the inclusion of our Public Education and Prevention programs.

CHC is affiliated with the following additional not-for-profit organizations through common control by the Parent:

- Covenant House Alaska
- Covenant House Chicago
- Covenant House Connecticut
- Covenant House Florida
- Covenant House Georgia
- Covenant House Illinois
- Covenant House Michigan
- Covenant House Missouri
- Covenant House New Jersey
- Covenant House New Orleans
- Covenant House New York/Under 21
- Covenant House Pennsylvania/Under 21
- Covenant House Texas
- Covenant House Washington, D.C.
- Covenant House Western Avenue
- Covenant House Testamentum
- Covenant House Holdings, LLC
- Covenant International Foundation
- Rights of Passage, Inc.
- Under 21 Boston, Inc.
- 268 West 44th Corporation

Covenant House is also the sole member of Covenant International Foundation (“CIF”), a not-for-profit corporation, and Covenant House, together with CIF, represent the controlling interest of the following international not-for-profit affiliates:

- Asociacion Casa Alianza (Guatemala)
- Casa Alianza De Honduras
- Casa Alianza Internacional
- Casa Alianza Nicaragua
- Covenant House Toronto
- Covenant House Vancouver
- Fundacion Casa Alianza Mexico, I.A.P.

Covenant House is the founder of Fundación Casa Alianza México, I.A.P.

On March 19, 2016, the Board of Directors of CHC authorized CHC to enter into a Letter of Intent to merge CHC with another not-for-profit organization, YEAH!. YEAH!’s mission is consistent with that of CHC; providing support homeless young adults (18-25) in Berkeley, CA. YEAH! is a lower barrier access point for youth to transition from the street into Covenant House California’s Oakland program”. On June 26, 2017, the merger was finalized and all of YEAH!’s assets were transferred to CHC.

1. Organization and Tax Status (*continued*)

On June 15, 2017, the Board of Directors of CHC authorized CHC to enter into a Letter of Intent to acquire the DreamCatcher Youth Services program, from its' parent agency, Alameda Family Services (AFS). DreamCatcher's mission is consistent with that of CHC; providing support and housing for homeless and trafficked youth, in Oakland, CA. DreamCatcher specializes in working with youth ages, 13-18, and has been a long-time access point for youth to transition from homelessness into Covenant House California's Oakland program. CHC would be the surviving entity after the asset acquisition, which includes a property acquisition. As of November 7, 2017, this acquisition has not yet been finalized.

CHC operates as a not-for-profit organization and has been recognized by the Internal Revenue Service as an organization exempt from income taxation pursuant to Internal Revenue Code Section 501 (c)(3) on its income other than unrelated business income and has also been recognized by the Franchise Tax Board as exempt from state franchise or income tax pursuant to California Revenue and Taxation Code Section 23701(d) on its income other than unrelated business income.

The *Shelter and Crisis Care* program provides crisis care, shelter, food, clothing and counseling to abandoned and runaway youths in the Los Angeles and Oakland areas.

Outreach

The *Outreach* program is an effort to reach youths who would otherwise not find their way to the shelter. Outreach vans cruise the city streets every night, searching out these youths and providing them with food, a trained counselor and a safe ride to the shelter.

Medical Services

The *Medical Services* center provides on-site comprehensive emergency medical services to both shelter and outreach youths including medical exams, physical exams, routine laboratory testing, pharmacy services, health education, psychological assessment, HIV/AIDS counseling and testing.

Community Service Center

The *Community Service Center* program provides comprehensive services to youths who left the Covenant House Crisis Center and other youths in the community who need support to maintain themselves in stable living situations. Services provided include substance abuse counseling and employment skills training.

Public Education

The *Public Education* program informs and educates the public on how to identify potential "runaway" and "throwaway" adolescents, the public and private resources available to help such adolescents before they leave home and the public support services available to help these families to improve their home environment.

1. Organization and Tax Status (*continued*)

Program Services

Rights of Passage

Rights of Passage/Supportive Apartments provide transitional home services for up to 18 months for youths, which include education, job placement, and housing.

Supporting Services

Fundraising

Fundraising services are related to the activities of the development department in raising general and specific contributions.

Management and General

Management and General services include administration, finance and general support activities. Certain administrative costs that relate to specific programs have been allocated to such programs.

Direct Benefit to Donors

Direct Benefit to Donors are those costs incurred in connection with special events related to items benefiting attendees of special events, such as meals and entertainment.

2. Summary of Significant Accounting Policies

Basis of Presentation and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly actual results could differ from those estimates.

Net Asset Presentation

The Organization maintains its net assets under the following two classes:

- Unrestricted net assets are not restricted by donors, or the donor-imposed restrictions have expired.
- Temporarily restricted net assets contain time and donor-imposed restrictions that permit CHC to use or expend the assets as specified. The restrictions are satisfied either by the passage of time or by actions of CHC.

There are no permanently restricted net assets.

2. Summary of Significant Accounting Policies (*continued*)

Revenue Recognition

CHC records earned revenues on an accrual basis; investment income is recognized in accordance with policies enumerated below. In addition, CHC records as revenue the following types of contributions, when they are received unconditionally at their fair value: cash, promises to give (contributions receivable), grants receivable, certain contributed services and gifts of other assets. Multi-year pledges receivable are recorded at present value based on the expected collection date using a risk-adjusted discount rate. Conditional contributions and grants are recognized as revenue when the conditions on which they depend have been substantially met. CHC also raises funds through special events, such as galas. Event revenues, net of related costs with a direct-benefit to donors, are recorded as unrestricted contributions since such funds can be used for general operations unless there are donor-imposed restrictions. Costs to generate restricted and unrestricted donations and grants are expensed as incurred. Grant revenue is recognized as services are performed or expenditures are incurred under CHC's contracts with its clients and funders.

As of June 30, 2017 and 2016, the Organization had been approved for a number of government cost reimbursable grants, some of which have conditions stipulated in the grant agreements that have not yet been met. Awards approved that have not been earned as of June 30, 2017 totaled \$3,690,485 and are expected to be received over the next year. Awards approved that have not been earned as of June 30, 2016 totaled \$2,016,403 and were received during the year ended June 30, 2017. Revenue from cost reimbursable grants is recorded to the extent of expenses incurred applicable to the grant.

Recognition of Contributions

Contributions to the Organization are recorded as revenue upon the receipt of an unconditional pledge or of cash or other assets. Contributions are considered available for unrestricted use, unless the donors restrict their use. Contributions to be received after one year are discounted at an interest rate commensurate with the risk involved.

CHC records contributions as temporarily restricted if they are received with donor stipulations that limit their use either through purpose or time restrictions. When donor restrictions expire, that is, when a time restriction ends or a purpose restriction is fulfilled, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. It is the Organization's policy to record temporarily restricted contributions received for which the related restrictions are met in the same accounting period in the unrestricted net asset class activity.

Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and contributions that the donor requires to be used to acquire long-lived assets (e.g., building improvements, furniture, fixtures and equipment) are reported as temporarily restricted. Absent explicit donor restrictions on how long those long-lived assets must be maintained, CHC reflects the expiration of the donor-imposed restriction when the donated or acquired long-lived assets have been placed in service, at which time temporarily restricted net assets are released from restrictions.

2. Summary of Significant Accounting Policies (*continued*)

Contributed Services, Merchandise, and Use of Land

Contributed services are recognized as revenue if the services received create or enhance nonfinancial assets, require specialized skills provided by individuals possessing those skills, and typically need to be purchased if not provided by donation. Contributed services are recorded at the fair value of the services provided. Contributed services that do not meet the above criteria are not recognized as revenues and are not reported in the accompanying financial statements.

Contributions of clothing and merchandise are recorded at their estimated fair value at the date of receipt and recognized as inventory and revenue when received and, expensed when the inventory is used.

Covenant House Western Avenue ("CHWA") is a separate corporation and an affiliate of CHC. It was established for the purpose to hold land upon which a building for CHC's programs in Los Angeles, California, was constructed. CHC originally entered into an agreement with CHWA to lease the land for twenty years beginning January 1, 2004 at \$1 per year. On September 26, 2011, the agreement was extended, with an effective date of January 1, 2011 (the "effective date") for twenty years beginning on the effective date. All other terms of the agreement remained unchanged. CHC is responsible for all related taxes, repairs and maintenance and utility costs. The use of the land is restricted to accommodate facilities and operations which achieve CHC's mission. CHC has recorded \$123,320 and \$130,547 as of June 30, 2017 and 2016, as a contribution receivable (contributed use of land) which represents the present value of the remaining lease term using a discount rate of 3.75%.

Allowance for Doubtful Accounts

CHC maintains an allowance for doubtful accounts for estimated losses that may result from the inability of its donors to make required payments. Such allowances are estimated based upon several factors including, but not limited to, historical experience and the financial condition of the donor. Uncollectible accounts are written off based upon the amount of time they have been outstanding and management's expected collectability. As of June 30, 2017 and 2016, no allowance for doubtful accounts was determined to be necessary, except as identified in Note 4.

Cash and Cash Equivalents

The Organization considers all highly liquid investments with a maturity of three months or less at the time purchase to be cash equivalents.

Investments Valuation and Investment Income

Investments, other than temporary cash investments, are carried at fair value and determined in accordance with the fair value hierarchy.

Covenant House California

Notes to Financial Statements

2. Summary of Significant Accounting Policies (continued)

Investments Valuation and Investment Income (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Realized and unrealized gains and losses are included in the change in net assets. Investment income is included as increases and decreases in unrestricted net assets unless its use is temporarily restricted by donors to a specified purpose or for a future period.

Functional Expense Allocation

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the program and supporting services benefited.

Property and Equipment

The Organization follows the practice of capitalizing all expenditures for property, building and equipment with a cost in excess of \$5,000. Property and equipment are recorded at cost if purchased or, if donated, at fair value at the date of gift, less accumulated depreciation and amortization. Furniture and equipment is depreciated on a straight-line basis over the estimated useful life of five years. Buildings and building improvements on lease land are amortized on a straight-line basis over the lesser of the term of the lease or their estimated useful lives. Buildings and building improvements are depreciated on a straight-line basis over 10-30 years. Vehicles are depreciated on a straight-line basis over the estimated useful life of five years. Capital leases, if the lease has an ownership transfer or bargain purchase option at the end of the lease, are to be depreciated over its economic life, otherwise it will be depreciated over the lease term. Repair and maintenance costs are expensed in the period incurred.

Long-lived assets are reviewed for impairment whenever events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. If the carrying amount of the long-lived asset (or asset group) exceeds its fair value and the carrying amount is not recoverable, an impairment loss is recognized. An impairment loss is measured as the amount by which the long-lived asset (or asset group) exceeds its fair value. Fair value is determined through various valuation techniques including undiscounted cash flows models, quoted fair values and third-party independent appraisals, as considered necessary. There is no such impairment for the fiscal years ended June 30, 2017 and 2016.

Fair Value of Financial Instruments

The Organization follows U.S. GAAP guidance on fair value measurements which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable inputs and are used to the extent that observable inputs do not exist.

Prior Year Summarized Comparative Information

Information as of and for the year ended June 30, 2016 is presented for comparative purposes only. Certain activity by net asset classification is not included in these financial statements. Accordingly, such information does not include sufficient detail to constitute a presentation in conformity with U.S. GAAP. Accordingly, such information should be read in conjunction with the Organization's financial statements as of and for the year ended June 30, 2016, from which the summarized comparative information was derived.

Advertising Costs

Advertising costs are expensed as incurred.

Reclassifications

Certain reclassifications have been made to the 2016 financial statement presentation to correspond to the current year's presentation. Net assets and changes in net assets are unchanged due to these reclassifications.

Accounting for Uncertainty in Income Taxes

The Organization recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Management has determined that the Organization had no uncertain tax positions that would require financial statement recognition and/or disclosure. The Organization is no longer subject to examinations by the applicable taxing jurisdictions for years prior to June 30, 2014.

Subsequent Events

Management evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is November 9, 2017.

3. Concentrations of Credit Risk

Financial instruments that potentially subject the Organization to concentrations of credit risk consist primarily of investments, cash and cash equivalents and receivables. Investments and cash and cash equivalents are managed within guidelines established by the Board of Directors. As of June 30, 2017, all investments were maintained by large financial institutions. The Organization maintains its cash with established commercial banks. At times, the cash balances exceed federally insured limits. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash equivalents. Concentrations of credit risk with respect to receivables are limited due to the fact that receivables are due from a number of donors and grant agencies.

8. Hollywood, California, Crisis Shelter Renovations

In January 2012, CHC was awarded an EHAP grant of \$967,260 from the state of California through the Department of Housing and Community Development ("DHCD") for additional rehabilitations of the Hollywood, California facility. In January 2014, DCHD deposited the grant amount of \$967,260 in an escrow account chosen by DHCD and will be disbursed to CHC by the escrow company based on Request for Disbursement ("RFD") approved by DHCD. The grant is structured as a loan to CHC, secured by a deed of trust on the 1325 North Western Avenue, Los Angeles, California property and bears interest at the rate of 3% simple interest per annum. The loan will be forgiven after a seven-year period from the date of the Certificate of Occupancy or the date the Notice of Completion is recorded if the Organization provides the services for the full loan term, based on approved activities. The DHCD agreement also contains customary requirements such as maintaining adequate controls over grant funds, record-keeping and submission of semiannual and annual report on project status. In the event CHC ceases utilization of the facilities based on its approved activities, the State of California shall terminate the loan and require immediate repayment including all outstanding principal and accrued interest.

On February 25, 2015, the rehabilitation was completed and CHC received a Certificate of Occupancy from the County of Los Angeles. CHC received a total of \$967,260 from the escrow company from the RFDs approved by DHCD.

As CHC's central mission is to provide emergency shelter and transitional housing for homeless youths and the loans do not impose additional conditions other than those ordinarily performed by the Organization in the normal course of operations, the conditions for forgiveness are expected to be met. As such, the Organization has recorded the capital assets acquired as property and equipment at actual cost and the state funds received as deferred revenue. The deferred revenue is amortized as unrestricted revenue on a straight-line basis over the respective loan terms. No interest expense is accrued since the Organization does not anticipate that repayment will be required. Annual in-kind interest expense and a corresponding grant revenue from the state agency is recognized. At June 30, 2017 and 2016, the total unamortized balance of the remaining forgivable loan was \$711,005 and \$841,026, which is included in deferred revenue in the accompanying statement of financial position. The amount of grant revenue recognized from these loans was \$155,252 and \$258,251 for the years ended June 30, 2017 and 2016.

9. Related Party Transactions

In fiscal 2017 and 2016, support received from Parent includes contributions received from individuals, corporations and foundations as a result of fundraising activities conducted by the Parent on behalf of the Organization and other Covenant House Affiliates. It also includes a subsidy or contribution from the Parent to help support the program activities of the Organization. The Parent refers to this contribution as "Branding Dollars".

The Parent provides financial support as well as management and organizational support for its affiliated organizations. It also conducts fundraising activities for its own programs and the programs of its affiliates. Contributions and promises to give totaled approximately \$66 million and \$64.3 million for the Parent in the years ended June 30, 2017 and 2016.

Contributions received by the Parent are generally not specifically restricted by donors to specific affiliates.

Branding Dollars allocated to affiliates, based on the Parent's policy, approximated \$36 million and \$33.6 million in fiscal 2017 and 2016. For the years ended June 30, 2017 and 2016, the Organization received \$2,255,000 and \$2,270,000 in support received from Parent.

The Parent also allocates costs of other shared services to the Organization, including insurance and telecommunications expenses. Such amounts totaled \$136,207 and \$154,681 for the years ended June 30, 2017 and 2016. Intercompany amounts due from, or payable to, the Parent do not bear interest and are settled periodically. The amount due from the Parent was \$400,690 and \$62,709 at June 30, 2017 and 2016.

Contribution revenue from board members, including donations of common stock and special events revenue, totaled \$207,473 and \$215,840 for the years ended June 30, 2017 and 2016. There were no outstanding balances of amounts receivable from board members as of June 30, 2017 and 2016.

10. Pension Plan

The Parent adopted a new defined contribution 403(b) savings and retirement plan, effective January 1, 2007. All employees are immediately eligible to enter the 403(b) savings plan. CHC will match 50 cents for every dollar contributed up to 6.0% of compensation. All full-time and eligible part-time employees employed with CHC as of December 31, 2006 immediately received the employer match. Per diem employees who worked more than 1,000 hours in 2006 were immediately eligible for the match. In addition, CHC adds employer contributions to the retirement account for all employees who work 1,000 hours in a year. The rate of contribution (percent of compensation) is based upon points. The employer contribution percentage ranges are from 1.0% to 9.0% based on points. Employer contributions for the Savings and Retirement Account will be 100% vested after three years of service. CHC's expense related to the 403(b) plan was \$183,781 and \$124,928 for the years ended June 30, 2017 and 2016.

Covenant House California

Notes to Financial Statements

	\$ 10,757,572	\$ 10,311,454

Board designated funds are included in investments.

12. Temporarily Restricted Net Assets

Temporarily restricted net assets consist of time and purpose restricted contributions as follows:

	2017	2016
Purpose restrictions:		
Program core support	\$ 70,496	\$ 121,000
Other programs	-	10,000
Time restrictions:		
Other time restrictions	123,320	155,548
	\$ 193,816	\$ 286,548

Net assets released from restrictions by incurring expenses satisfying the restricted purposes or by the occurrence of other events specific by donors during the years ended June 30, are as follows:

	2017	2016
Purpose restrictions:		
Program core support	\$ 121,000	\$ 34,445
Other programs	10,000	1,400

13. Lease Commitments

CHC is a lessee of certain equipment acquired under capital leases expiring in various years through 2021. Amortization of assets acquired under capital leases is included in depreciation and amortization expense. Obligations under capital leases at June 30, 2017 and 2016 amounted to \$302,198 and \$369,806. The amount of imputed interest necessary to reduce the net minimum lease payments under capital lease obligations to present value totaled \$12,935 and \$12,556 at June 30, 2017 and 2016.

Future minimum lease payments due under these obligations are as follows for the years ending June 30:

2018	\$ 118,712
2019	106,501
2020	85,157
2021	<u>9,375</u>
	319,745
Less amounts representing interest	<u>(17,547)</u>
	<u>\$ 302,198</u>

In addition, CHC entered into several month to month operating lease agreements. Rent expense for these agreements was \$107,169 and \$109,936 for the years ended June 30, 2017 and 2016.

14. Government Grants and Contracts

In accordance with the terms of certain government grants, the records of CHC are subject to audit after the date of final payment of the contracts. CHC is liable for any disallowed costs; however, management of CHC believes that the amount of costs disallowed, if any, would not be significant.

15. Merger of Net Assets from YEAH!

As discussed in Note 1, YEAH! was acquired by CHC on June 26, 2017. Activities of YEAH! as of this date are included in CHC's statement of activities and assets received and liabilities assumed from the acquisition were recorded at their carrying amounts (which approximated fair value) at the date of acquisition as follows:

Cash	\$ 59,302
Grants receivable	51,873
Accounts payable	<u>(55,620)</u>
Net assets acquired	<u>\$ 55,555</u>

Notes to Schedule of Expenditures of Federal Awards Year Ended June 30, 2017

1. Basis of Presentation

The Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal award activity of Covenant House California (the "Organization") under programs of the federal government for the year ended June 30, 2017. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets or cash flows of the Organization.

2. Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditure are not allowable or are limited as to reimbursement. Pass-through entity identifying numbers are presented where available.

3. Indirect Cost Rate

**Report on Internal Control Over Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in Accordance With *Government

Independent Auditors' Report

**Board of Directors
Covenant House California**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Covenant House California which comprise the statement of financial position as of June 30, 2017, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 7, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Covenant House California's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Covenant House California's internal control. Accordingly, we do not express an opinion on the effectiveness of Covenant House California's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Covenant House California's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditors' Report

Covenant House California**

Report on Compliance for Each Major Federal Program

We have audited Covenant House California's (the "Organization") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2017. The Organization's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, Covenant House California complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2017.

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
