**NEWPORT BEACH
WINE & FOOD**

Covenant House California

Newport Beach Wine & Food is honored to welcome the Covenant House California as our philanthropic partner. A portion of the proceeds of Newport Beach Wine & Food will go to the building of a Covenant House in our city, Orange County. Enjoy exclusive one-of-a-kind experiences by Newport Beach Wine & Food while making a difference in our local community.

Covenant House California (CHC) is a **non-profit youth homeless shelter** that provides **sanctuary and support** for **homeless and trafficked youth**, ages 18-24. We believe that no young person deserves to be homeless; that **every young person in California deserves shelter, food, clothing, education...** and most importantly, **to be loved**. Now **servicing over 3,200 youth a year**, CHC provides a full continuum of services to meet the physical, emotional, educational, vocational, and spiritual well-being of young people, in order to provide them with the **best chance for success in independence**.

Sadly, **Orange County has virtually NO housing or services for youth** (18-24) who experience homelessness as the result of abuse, neglect and rejection. With the number of homeless youth in Orange County rising, **NOW is the time for Covenant House CA to come in and make a difference**. We know that if we can end homelessness for young people while they still have hopes and dreams, we can **significantly decrease the number of individuals who become chronically homeless** in our communities!
